

Directions to KU Body Composition Center

- Park in the Olathe Parking Facility 2 PUBLIC parking garage
- Cross Olathe Blvd on the street level and enter the Smith building. There is a sidewalk just west of the Orthotics/Medical Office Building that leads up to the Smith entrance.
- Go left towards the single elevator. Take the elevator down one floor to “G”.
- Exit the elevator and go slightly to your right. There will be a wood door with a glass window to its left.
- Go through the door. The body composition area where your BOD POD measurement will take place is the last door on the right (G010 CDU).

If you have any trouble, please call 913-945-7004
